

Paid Mentorship Opportunity!

DEADLINE TO APPLY: JANUARY 6, 2025

Overview

- ★ The AIM-AHEAD Collaborative Supplemental Training Programs are **recruiting mentors** for the 2025 Cohorts.
- ★ Mentors will support **two trainees** throughout the **8-month training program** (January-September 2025).
- ★ Mentors will select which program(s) they would like to be considered for as a mentor and will be chosen from a pool of AIM-AHEAD Mentor applicants.

APPLY TODAY!

Click the link below or scan this QR Code to learn more and submit your application.

Benefit

Selected mentors will be awarded a stipend of **\$4,000** to support two trainees for the duration of the training program.

Eligibility

Mentors should have a **Ph.D., MD, or equivalent** qualification (such as **PharmD., DNP, or Dr.PH**) and **must be associated with an organization** (educational institution, private sector, community organization, etc).

Mentor Expectations

Mentors will **meet biweekly** with mentees to **provide career and professional development support, field expertise, and guidance** through the program. Mentorship expectations vary slightly for each training program. Please view the full Call for Mentors (linked below) to read more, and find the program that is right for you!

Timeline

The AIM-AHEAD Training Program Mentor Application will be open from **December 9, 2024 - January 6, 2025**. All selected Mentors will be notified by **January 20, 2025**. Mentors will begin meeting with their assigned trainees by the end of January 2025.
